

HB 1836 -- WORKERS' COMPENSATION

SPONSOR: McGaugh

Currently only construction industry employers are deemed employers for workers' compensation if they have one or more employees; all other non-construction industry employers are not deemed employers for workers' compensation purposes unless they have five or more employees.

This bill adds any person or corporation in the construction industry who erects, demolishes, alters, or repairs improvements to the definition of "employer" as it relates to the Workers' Compensation Law.

This bill is the same as HCS HB 337 (2015).
